Step into a piece of Sidney history with this charming 1910 apartment building-four one-bedroom units full of vintage character, just waiting for the right touch to bring them back to life! With high ceilings, classic architecture, and a shared laundry room (because communal laundry builds character), this fixer-upper is perfect for investors, DIY enthusiasts, or anyone who's ever watched a home renovation show and thought, I could do that! Sure, it needs a little love (okay, maybe more than a little), but where else can you find this much potential wrapped in over a century of stories? Don't miss your chance to restore, renovate, and reap the rewards! Listed
