Welcome to a home where timeless craftsmanship meets everyday functionality. Built in 1930, this spacious bungalow offers a thoughtfully balanced layout with four comfortable bedrooms and two bathrooms, all situated on an expansive 11,550-square-foot city lot. From the moment you step through the front door, you'll notice details that are hard to come by today-original hardwood floors, gracefully arched walkways, and a warm sense of character that invites you to stay a while (or indefinitely). The open, updated kitchen is designed to bring people together, with ample counter space and natural light flowing in from adjacent rooms. Just off the

neighborhood, this home offers the rare combination of space, charm, and peaceful surroundings-all within easy reach of local amenities. Whether you need room to grow, space to create, or just a comfortable home that feels solid and welcoming, this property delivers. And yes, your plants will probably love the sunroom as much as you do. This is more than a house-it's a place to land, to live, and to love coming home to.
