This Tudor-style beauty has been completely and thoughtfully brought back to life, blending original character with modern, move-in-ready comfort. Every major system has been renewed from the ground up: new plumbing, new wiring, a new roof, and gas forced-air heat paired with central air keep this home efficient and comfortable through every Montana season. Inside, the full remodel continues with a brand-new kitchen featuring stainless steel appliances, new flooring throughout, and new windows that fill the home with natural light while preserving its classic charm. Three bedrooms and one and a half updated bathrooms offer flexible, comfortable

living. Come see for yourself what a truly complete remodel looks like.
