M3 Meats - Established Turnkey Business Opportunity A great opportunity to own an established, family-run meat processing business! M3 Meat has been serving the area since 2006, and is now being offered for sale as the owner prepares for retirement. The purpose-built commercial facility was constructed in 2006 and is USDA approved for meat slaughtering and processing. The sale includes the building and its contents, giving a new owner the opportunity to take over an existing operation with the equipment and infrastructure already in place. Whether you're an experienced processor looking to expand or ready to take on your own operation,
